Report on Skill Development Program

Name of the Program: Skill Development Program-Quantitative and Aptitude Skills

Syllabus: Aptitude- quantitative ability, verbal ability and logical reasoning

Objective: To train the students in quantitative and logical skills which are important in analyzing and decision making.

Duration of the program: 30 hours module, Phase I and Phase II, for III year/II-sem students in the year 2020-21.

Outcome: The students improved in their problem solving skills and their ability to comprehend and approach a particular problem also has changed. They also enhanced their verbal ability, quantitative ability and logical reasoning skills. The sessions were highly interactive and students clarified their doubts for better insights on the topics dealt with.

Date: 12.03.2021
