Report on Skill Development Program

Name of the Program: Skill Development Program-Aptitude for Placement and Interview Skills

Syllabus: quantitative ability, verbal ability, logical reasoning, basic communication skills, group discussion and interview skills and assessments.

Objective: To train the students in quantitative and logical skills, language and communication skills, group discussions and personal interviews for campus placements.

Duration of the program: 30 hours module, Phase I and Phase II, for IV year/II-sem students in the year 2021-22.

Outcome: The students improved in their problem solving skills and their ability to comprehend and approach a particular problem also has changed. They also enhanced their verbal ability, quantitative ability and logical reasoning skills. The sessions were highly interactive and students clarified their doubts for better insights on the topics dealt with.
